

Camel Photography. The Milk Line Majaheem

Description

Camel is not only ensuring livelihood and accessibility in the challenging conditions like in the desert but also provides calmness and beauty to the mind and eyes.

Camel4All.info

The beautiful Majaheem camels in Alain. The Majaheem is one of the best dairy camels

This picture was shot in the beautiful golden desert of the Alain, UAE. Alain is actually the land where you can find the diversity in everything. You can find beautiful dates garden just in the centre of the desert. Alain is rightly called as Oasis.
